

THE TERMS OF WEB SERVICE

SOCIALREMIT BLOCKCHAIN NETWORKS LTD.

SPECIAL ANNOUNCEMENT Date 1/11/2018

SocialRemit in its eagerness to reward the loyalty of users registered during the AIRDROP period has decided

- 1. To change the name of their SRT tokens to SREUR**
- 2. To establish an exchange rate of the SREUR tokens at the end of the ICO to 1 token SREUR = 1 EUR.**

This way our users are rewarded with a major rate in the exchange of all tokens CSR obtained as a reward in Airdrop and in the future purchases of the SREUR tokens during the period PRE-ICO and ICO.

THE TERMS OF SERVICE

1. User registration

- Only one user registration for each person or company will be admitted. The registration of the same person or company with different email or Ethereum accounts is strictly forbidden.
- At the end of the user registration you will receive an e-mail to validate your e-mail account and Ethereum. The validation of this e-mail does not mean the complete registration of the user.
- After the validation of the e-mail account and Ethereum, the tokens that will be granted based on their activity will be assigned to the registered user account. The tokens will be assigned provisionally pending the completion of the ICO when manual verification of validated referrals and campaign activity in social networks will be carried out. Final tokens will be allocated 60 days after the completion of the ICO.
- By accepting the terms of use of the registration, the user is accepting all the conditions established in this document and some of them that develop the content of the WHITE PAPER.

SOCIALREMIT BLOCKCHAIN NETWORKS LTD reserves the right to cancel the registration of users that have registered with more than one account Ethereum and/or mail, or ignored time and form and failed to present proof of identity, address or source of money before the end of the ICO.

2. Policy AML (anti money laundering) and KYC (identification of customers)

SOCIALREMIT BLOCKCHAIN NETWORKS LTD is a faithful advocate, and collaborate in the fight against the laundering of capital. Therefore, after the assessment of the email account of the registered user and referrals application of the following documents will be required to make COMPLETE VERIFICATION OF THE ACCOUNT.

- **For registered users**
 - Proof of identity (one of the following documents: receipt of payment of water, electricity, gas, landline telephone, rent fees, bank statement, mortgage, health insurance, etc)
 - Proof of address (one of the following documents: receipt of payment of water, electricity, gas, landline telephone, rent fees, bank statement, mortgage, health insurance, etc)
- **For referrals of registered users**
 - Proof of identity (one of the following documents: receipt of payment of water, electricity, gas, landline telephone, rent fees, bank statement, mortgage, health insurance, etc)
 - Proof of address (one of the following documents: receipt of payment of water, electricity, gas, landline telephone, rent fees, bank statement, mortgage, health insurance, etc)
 - In the case of investments exceeding 12.000 EUR, SOCIALREMIT BLOCKCHAIN NETWORKS LTD reserves the right to request evidence of source of funds and/or tax returns.
 - When the user requests the refund of the tokens in their account they should request it to the current account or the card of the same origin in order to avoid money laundering. In the cases when current accounts or bank cards had been canceled, user shall provide proof of the bank account change and a new account of the same holder to make funds transfer available.

3. AIRDROP. Distribution of tokens for the user (except for special campaigns)

Tokens will be distributed according to the following criteria:

- Minimum amount of validated referrals allowed to enable the change of tokens from CSR to EaD: 5.
- Maximum amount of referrals allowed: Unlimited
- Tokens assigned for referrals that has been validated by mail: 20 tokens
- Total maximum rewards for campaign on social networks (Facebook, Twitter, Telegram, LinkedIn, Reddit, BitcoinTalk, Medium, written Articles) are 350 tokens in total.

SocialRemit can correct unilaterally the total number of tokens rewarded if we notice signs of fraud or violation of the terms of service by the registered user.

Final allocated tokens will be transferred to the registered users in the 60 days term after the date of completion of the ICO, once identification data, address, and/or income of users or/and referrals are validated.

4. AIRDROP. Exchange CSR rewards for referrals and social activity to tokens EaD

To be able to exchange tokens CSR obtained by validated referrals and activity on social networks for tokens, EaD the registered user must prove

- The user should have validated his identity, address and, in certain cases, proof of income
- The user must have a proof that they have amount of SREUR tokens
- The user must accredit a minimum number of 5 validated referrals that have in their possessions SREUR tokens equivalent to 50 EUR.

All those registered who have been registered through the link assigned to the user, and who have also validated their mail, identity, address and availability of SREUR tokens equivalent to 50 EUR will be considered validated referrals.

The user loses the right to exchange their tokens CSR through all those referrals that have not validated their e-mail, identity, home address or simply do not have in their possessions SREUR tokens equivalent of EUR 50.

- Share our link to promote the ICO and get a minimum of 100 impressions (page views by ip) this can be shared in the easiest for you way through instant messaging, email or on your website or blog if you have it.
- You will permanently lose the right to receive and/or exchange CSR tokens assigned by referrals in case the referral fail to validate their identity, address and/or proof of income in 90 days term starting from the date of completion of the ICO.
